GULF-29 CLASSIC PILOT-HOUSE CRUISER

The Gulf-29 was designed by Capital for the person desiring the comforts of traditional boat design and the sailing characteristics of modern sailboat technology. Inspired by the time-proven Gulf-32, the Gulf-29 has a pilot-house deck configuration which provides a light and airy cabin and allows the option of inside wheel steering. The hull and deck are 100% hand laid-up. The deck is reinforced with core sections and plywood. The hull to deck joint is bonded and thru-bolted with anodized toe rails P & S.

The Gulf-29 is delivered with the following:
